Live Roulette is much more realistic and exciting than a standard roulette in any online casino. You communicate not to a machine, but with a professional casino dealer in a brick-and-mortar casino among real gaming tables. The whole game takes place right on your screen directly under your personal supervision.

You can play live roulette right here for free, no deposit required.

The rapid development of Internet technologies and online casinos makes it possible to play roulette with a live dealer staying in the comfort of your home. Modern online casino software and live broadcast technology help to implement this exciting opportunity. Actually, a player may watch on the screen the real roulette table and the real roulette wheel spun by the professional dealer. So you can bet and watch the action, as in any brick-and-mortar casino.

Live Roulette Advantages

Live Roulette is the

opportunity to play one of the most exciting casino games right from your home. But your home comfort is not the only advantage of a live roulette game. You may play your favorite game anytime, day or night, eat while playing pancakes, sip your favorite beer and wear your lucky white shorts with red hearts — nobody minds it.

The main advantage

is that the dealer is alive and you can control the game and his actions. You do not need to rely on a random number generator (RNG), which is used to control the result of all standard online casino games.

Random Number Generator (RNG)

When you hear about a

random number generator, you may get the feeling that it was invented specifically for online casinos. No, it was not. In fact, the RNG technology was first used long before in brick-and-mortar gambling houses. Do you remember old video poker machines, or slot

machines? Well, it was random numbers generators. Some people still are skeptical about how fair the games based on RNG are. But don't blame RNG — it is a machine — blame the owners.

Modern online casinos use the built-in RNG technology which is checked by the independent auditors. Each casino is ensuring that in all offered games the RNG is good. After all, the reputation costs more than some hundreds of dollars gained through deception.

Live Game Online

RNG technology is of a high level of security, but many players do not quite understand it and, consequently, do not trust RNG games fully. For doubting players, a live game is an ideal option. You watch a professional croupier rolling the ball and spinning the real roulette wheel, so you just bet and relax.

Video

cameras broadcast every dealer's step and move live, so you literally control the game.

Live Roulette creates the true atmosphere of brick-and-mortar casinos in Las Vegas and Monte Carlo. So, get comfortable and fix yourself a favorite drink, check your bankroll — if it is OK, the game is ready for you.

Erik ten Hag permanecerá como entrenador del Manchester United pese a los rumores

A pesar de los rumores y la incertidumbre, Erik ten Hag seguirá siendo el entrenador del Manchester United después de una revisión de fin de temporada realizada por el club.

El Manchester United llevó a cabo una "revisión de rendimiento exhaustiva" de la temporada 2024-24 durante las dos últimas semanas y llegó a una conclusión clara de que ten Hag debe seguir en su puesto, según una fuente familiarizada con la situación que lo dijo a Sport el miércoles.

Como resultado de las "conversaciones constructivas" mantenidas entre ten Hag y el club después de la revisión, el Manchester United y el entrenador holandés ahora están en conversaciones para extender su contrato actual.

El contrato actual de ten Hag termina después de la temporada 2024-25 y hay una opción para extenderlo por un año adicional.

El entrenador de 54 años se unió al club procedente del Ajax antes de la temporada 2024-23. En sus dos años en el club, ten Hag ha ganado un trofeo en cada campaña. El Manchester United, apodado *Los Diablos Rojos*, ganó la Copa de la Liga durante su primera temporada a cargo y luego derrotó al Manchester City en la final de la Copa FA en mayo para asegurar otro trofeo.

Sin embargo, el Manchester United no ha estado en su mejor momento durante el mandato de ten Hag y terminó octavo en la temporada 2024-24 de la Premier League con una diferencia de goles negativa.

La temporada pasada fue la peor clasificación del Manchester United en la era de la Premier League, que comenzó en 1992.
