Developer Pragmatic Play gives players a taste of history in

Spartan King, a slot based on Leonidas and his legendary band of 300. The game doesn't specifically state this, but the movie/graphic novel 300 is one of the first things to spring to mind when playing these sorts of games, as is the case with NextGen's iconic slot 300 Shields and follow-up 300 Shields Extreme. At first glance, the two games

If you see too much green on a slot screen, chances are you are playing an Irish-themed game. This is the case with Amazing Link: Riches where I got to enjoy vibrant colours, a rainbow and some mushrooms instead of 6 clovers, but overall, the green colour dominates. In addition, I got to trigger free spins, a Pick feature that awards 6 jackpots and an Amazing Link feature. Got interested? You can keep reading our full Amazing Link: Riches slot review to find out more.

Amazing Link: Riches Slot Review

We often find Irish-themed slots combined with jackpots, which is fitting because they are always filled with lucky charms and elements. However, even besides jackpots, the Amazing Link: Riches slot can be a fantastic game as it has excellent features and can deliver big payouts, similar to the outstanding Lucky Gold Pot slot by StakeLogic. Although Irish, I didn't encounter a leprechaun here, as we saw in the Leprechaun's Lucky Barrel slot. But, let's see the details.

Table of Contents

Three rows and five reels make up the grid in the Amazing Link Riches slot, which has become the standard size for slots. The game offers 20 paylines for winning combinations, requiring at least three matching symbols to land on successive reels, left to right.

I found the betting range, which spans between £0.20 and £50 per spin, to be quite good, although it could have been made bigger to appeal to high rollers.

As we said in the beginning, this is an Irish-themed slot where you can find illustrations of nature, a river, and a rainbow. Green dominates the screen and the reel set, which is to be expected, and there is a huge pot of gold in the background. I found the graphics sharp and clear, making my experience more immersive and enjoyable. Moreover, there is a cheerful soundtrack, combined with great animations.

On the payable, the low-paying symbols are depicted as 9-A card royals, while high-paying symbols are a tankard, a mushroom, a well and a leprechaun's hat. The premiums pay 3x to 5x the stake for five of a kind.

The rainbow clover is the wild, which substitutes all pay symbols. There is also a golden pot of gold as the scatter and a bonus gold coin symbol.

The Amazing Link: Riches RTP is capped at 96.33%, above the industry average, while the maximum win potential can reach up to 5,300x the stake. As for the volatility, it falls in the high range, which delivered scarce yet highly valuable rewards during our gameplay.

You can read more about these terms in our detailed variance, volatility and RTP guide.

The gameplay in the Amazing Link: Riches slot is spiced up by three bonus features, including

free spins, a Pick feature, and an Amazing Link feature, which we'll explain in detail.

Free 6 Spins Feature

Landing three bonus symbols anywhere in view triggers the bonus round and awards three free spins. One of the 6 reels will be filled with wilds, and you can't trigger the Pick feature from this round. The wild reel contains 6 three wild symbols, which can help you activate the Amazing Link feature.

Amazing Link Feature

Six or more Amazing gold coin symbols activate the Amazing Link feature. These symbols become locked in position and three respins start as the rest of the 6 grid is cleared. The respins reset each time a new amazing gold coin symbol lands. At the end of the 6 feature, the sum of all cash symbols on the grid will be awarded.

The Amazing Link Riches slot offers four fixed 6 jackpots, which can be won during the randomly triggered Pick feature. The Mini, Minor, Major, and Mega Jackpots are worth 6 20x, 50x, 500x, and 5,000x the stake, respectively.

Other Games Global Slots

Games Global is considered one of the top game providers 6 in the world with a rich portfolio, including games like th Amazing Link: Apollo slot, the Scarab Kingdom slot and 6 the Big Boom Riches slot, among others.

Games with jackpot prizes can be a fun way to potentially win great prizes. 6 The Amazing Link Riches slot is one such game that, in addition to the jackpots, can bring you the possibility 6 of triggering two additional features that can deliver excellent stake prizes. I had a great time with this game, and 6 it can be a great idea to check it out first-hand.
