Theme and Storyline

This slot is themed on the Wild West, but with a steampunk twist.

Players will find themselves in a 3 desolate scene with the ruins of a town crumbling in the desert. It's immediately clear this game will have a 3 darker mood.

Framing the reels is a souped up monster train, adorned with metal spikes. Players will enjoy the impressive detail 3 of the machinery.

The symbols are colourful, but rendered in less high definition that lovers of the original Money Train might 3 hope. The mad scientist character is especially mesmeric with his malevolent grin.
