British online gambling operator

Sportingbet is a British online gambling operator, owned by Entain plc. The company was listed on the London Stock Exchange and was a constituent of the FTSE SmallCap Index prior to its acquisition by GVC holdings.

History [edit]

The company was founded by Mark Blandford in 1997.[2] Sportingbet acquired Paradise Poker in October 2004.[3] On 7 September 2006 Sportingbet reported that its then chairman, Peter Dicks, was detained in New York City on a Louisiana warrant while traveling in the United States on business unrelated to online gambling.[4] Louisiana is one of the few states that has a specific law prohibiting gambling online. In March 2007, all Louisiana warrants involving the company were cancelled.[5]

In October 2006, Sportingbet announced Paradise Poker would stop taking deposits from US customers, although most would be allowed to continue to play for another month.[6] Additionally, Sportingbet sold all its US-facing sports betting and casino businesses, including Sportsbook and Sports, to a group of private investors for R\$1, and an assumption of R\$13.2 million in debts.[7] In February 2007, Sportingbet announced it was eliminating its Paradise Poker software and migrating players to its Sportingbet Poker platform. Prior to this, the two platforms had approximately the same number of players, but the Sportingbet platform had higher liquidity because that platform was part of a larger network. The brand name of Paradise Poker was retained.[8]

In 2008, Netbet (Pty) Ltd, a company in South Africa, licensed the Sportingbet brand for online gambling in South Africa.

In October 2012, Sportingbet announced its board had agreed to preliminary terms for a £530 million takeover bid from UK bookmaker William Hill and Isle of Man-based GVC Holdings.[9] Under the terms, Sportingbet's Australian and Spanish operations were bought by William Hill.[10] Operations [edit]

Sportingbet operates local-focused sportsbooks, virtual games and casino sites, and the online poker cardroom, Paradise Poker. Overall, the company has over 2.5 million registered customers in 200 countries, who place over one million bets (casino, poker, sports and virtual games) per day.

Sportingbet operates several websites. The largest of these are wholly owned and operated by Sportingbet. They also use a system similar to a franchise, in which independent website operators use Sportingbet's centralised software, financial services, trading, and customer service under license. These web sites receive a cut of the profits their customers generate.

Sportingbet's corporate offices are located in Guernsey. They also have offices and call centres in the Republic of Ireland and Costa Rica. The PLC is located in Moorgate, London.

The company sponsored Premier League, Championship and League One football team Wolverhampton Wanderers from the 2009–10 season until the 2013–14 season.[11] This link-up with a football club first began in January 2009, when Bulgarian football club Slavia Sofia announced a 3-year sponsoring deal. As a result, the logo of the company appeared on the club's shirts for the 2008–09, 2009–10 and 2010–11 seasons of the Bulgarian A PFG. Sportingbet also sponsored Steaua Bucuresti of Romania for the 2009–10 and 2010–11 season. The logo also appeared on Steaua Bucuresti II, Steaua's reserve team's shirt, which now plays in Liga. Sportingbet also sponsored division 1 Victorian amateur football team Banyule FC for the 2010–2011 seasons.[12]

PAOK FC[13] (2024–2024)

CFR Cluj (2024–present)

Série B[14] (2024)

Copa Libertadores[15] (Brazil only) (2024–present)

Copa Sudamericana[15] (Brazil only) (2024–present)

Israeli military retira su división 98vo de Khan Younis en Gaza después de meses de enfrentamientos intensos

El ejército israelí ha retirado sus fuerzas terrestres de Khan Younis en el sur de Gaza después de meses de enfrentamientos feroces.

Las Fuerzas de Defensa de Israel (IDF) anunciaron el domingo que su 98.a división había "concluido su misión" en Khan Younis. La división está abandonando la Franja de Gaza para

"recuperarse y prepararse para operaciones futuras".

La IDF agregó que "una fuerza importante dirigida por la 162.a división y el batallón Nahal continúa operando en la Franja de Gaza y preservará la libertad de acción de las IDF y su capacidad para llevar a cabo operaciones precisas basadas en inteligencia."

Un equipo a lo largo de la frontera donde las tropas ingresan y abandonan Gaza no ha visto aún grandes números de tropas que se retiren, pero ha visto un gran número de tanques que se retiran de Khan Younis durante la noche. Ahora están estacionados en la frontera de Gaza e Israel.

Un brigada israelí típica tiene aproximadamente algunos mil tropas, pero todavía no está claro precisamente cuántos soldados israelíes se han retirado de Gaza.

Hasta enero, la 98.a división era la división más grande de la historia de las FDI, ya que se había reforzado específicamente para luchar contra Hamás en Khan Younis.

Cuando se le preguntó sobre las razones de la retirada, el IDF se negó a comentar. El IDF no comentó tampoco si esto significa que no hay más fuerzas en el suelo en el sur de Gaza.

También está por verse qué significa la retirada para los planes de invasión de Israel a Rafah, la parte más meridional de Gaza que se ha convertido en un refugio para cientos de miles de palestinos. Israel ha dicho que una incursión en Rafah es esencial para lograr su objetivo de eliminar a Hamás de Gaza.

La radiodifusora pública israelí y el afiliado Canal 11 informaron el domingo que las fuerzas restantes estarían ubicadas a lo largo de la llamada Autopista Netzarim, una ruta que divide a la Franja de Gaza en dos. Nombrada después del asentamiento israelí anterior de Netzarim en Gaza, la autopista interseca una de las dos principales carreteras norte-sur de Gaza, Salaheddin Street, para crear una importante intersección estratégica y central.

Antes de retirarse, el IDF dijo el domingo que los comandos habían allanado y buscado más de cien ubicaciones en el barrio Al-Amal de Khan Younis, donde encontraron un túnel largo y "eliminaron a terroristas". No podemos verificar de forma independiente esas afirmaciones.

Esta es una historia en desarrollo y se actualizará.
