Carnaval Slot

For anyone who has been to or seen pictures of carnivals around the world, particularly the most famous of all in Brazil, then you'll know just what to expect from this slot game from Microgaming. For those who have not, then think bright and bold colours with a big party atmosphere and musical themes and you'll be along the right lines.

With 5 reels and 9 pay lines, paired with a number of entertaining bonus features, this is not just all about the bright graphics and bold design though. There is a very fun slot game behind those graphics, which will provide hours of enjoyment.

Fun is the main aim at any carnival, and that fits perfectly with what slot games should be about – so this should be a perfect match then, right?

It's Time to Party, Party, Party!

You can't help but get into a good mood, ready to play slots, from the first minute you take a look at this slot game. From its bold colour scheme of bright purples, golds, blues and pinks, to its colourful symbols and party themes which are found on both the game board and reels, it's an explosion of excitement.

Microgaming have certainly gone all out with the Mardi Gras theming on this online only slot game, with symbols that represent the party atmosphere including clowns, colourful headdresses and trumpets found spinning on the reels.

Surprisingly, even with such a bold theme, it is not as "in your face" and as distracting as you may think when you get playing. The colours keep the fun flowing from spin to spin for a really enjoyable game.

Nice and Simple

Whilst Carnival is not the most involved slot game, being more of a simple game which would be the perfect introduction to the world of slot games for beginners, it is still very fun to play and would give hours of enjoyment.

This 5-reel, 9 win line slot game allows for a maximum of 9 coins to be staked per game, and with coins able to be valued from 0.25 to 5 this is ideal for both a low stakes player looking to bet just a smaller amount (just 0.25) or for the more high rollers out there who want to play big to win big (45 per game).

The wild logo, as you might expect, acts as the wild symbol and it can replace any other symbol in the game, other than the Scatter. This gives an increased chance of creating that winning line for a big win.

The Scatter symbol gives you the chance to multiply your winnings by various sized multipliers. Hitting 2 scatter symbols will multiply it by 2x, hitting 3 scatter symbols will multiply it by 10x, hitting 4 scatter symbols will multiply it by 25x and by hitting 5 scatter symbols you'll multiply it by a massive 50x. This is a great opportunity to really increase your winnings.

Party Jackpot

The ultimate aim of Carnival is to collect as many of the Carnival logos as possible across your winning line, with 5 of these winning the jackpot of 5,000 coins. Four Carnival logos wins you 800 coins.

The 3rd highest jackpot is won by getting 5 carnival women (who are wearing fabulous headdresses) and this wins you 600 coins.

So lots of chances to win big with this game, even if there are not the additional features and bonus round you may find elsewhere.

All Show, No Go?

As mentioned above, Carnival is rather simple – which is both good and bad. If you're a new slot game player looking to find a more simple game to get used to how things work, or if you're looking for a less involved game with less additional bonus rounds and features, then this is no doubt a game which should be at the top of your list.

However, if you're looking for extra features, bonus rounds and unique touches then there are probably games you'd enjoy more than this one. Even if it doesn't end up being the game you spend hours on, there is plenty of fun to be had, though.

We suggest giving it a go still as it has a great theme and colourful design which puts you in the mood for a great game of slots! Microgaming power many of the top online casinos, so head over to our reviews and find yourself a site to play at.
