Big Juan: Slot Overview

Load up your pistols, y'all, with a bit of imagination,

Pragmatic Play partner Wild Streak Gaming is 3 transporting players to Mexico for a spot of gambling. Wild Streak is a studio that certainly likes respin bonus features, 3 and yes, one appears in Big Juan as its centrepiece. Fair dues, though, it behaves a bit differently than these 3 bonus games usually do. Here, players respin in the hopes of landing four jackpot prizes, none of which are earth-shatteringly 3 exciting.

Studios

that go the Mexican route basically have free reign to go as bright and noisy as they like. This 3 Wild Streak has done, yet Big Juan feels like a budget knockoff rather than a respectful piece of cultural appropriation. 3 Okay, it's not Mexican as such but compare Big Juan to ELK's tastefully designed Wild Toro 2 - the latter 3 is light years away from this rambunctious fiesta. Big Juan is lively, however, and maybe some players enjoy losing themselves 3 in the chaos. Juan does plenty of pistol shooting when he's not strumming furiously on his guitarrón Mexicano, and the 3 soundtrack has spirit, yet everything ends up being a tad tourist shop gaudy as much as anything else.

The game is

3 split between two phases – a base game and a respin bonus round. The base game is played on 5-reel, 3 4-row matrix providing 40 fixed paylines to hit winning combinations across. This shrinks to a smaller area when the bonus 3 triggers, as we'll see. Highly volatile, Big Juan's math model produces a default theoretical return value of 96.7% when playing 3 normally, strangely dropping to 96.53% when buying the bonus for some reason. Bet range is vast, though it could have 3 been more accommodating fore players looking to stretch a bankroll, starting at 40 p/c per spin, rising to R\$/€200 at the 3 upper end.

At least three identical symbols on a payline from the left side of the grid are needed to form 3 a winning combination. This can be done with five low pay 10-A symbols or higher-paying guitars, hot sauce bottles, chihuahuas, 3 señoritas, or Big Juan señores. Values for a five of a kind premium combination are 2.5 to 6.25 times the 3 stake. Look out for the wild chilli symbols which are worth double the top high pay

symbol and land anywhere 3 to substitute all other paying symbols.

Big Juan: Slot

Features

Two features appear in Big Juan. These are the Wild Switch in 3 the base game and the triggered Respins bonus round.

Wild Switch Feature

In the base game, whenever

at least 6 of the 3 same pay symbols hit on reels 2, 3, or 4, they all transform into chilli wild symbols.

Respins Feature

Landing 3, 4, 3 or 5 pinata scatter symbols awards

10, 12, or 15 respins respectively. For the respin feature, the game is played 3 on a 3x3 sized grid, with a special 4th reel which has just one position. On the main grid, a 3 sticky bag of coins symbol sits in the middle position, while other positions may land money symbols, extra spins symbols, 3 or one of the four jackpot symbols.

On the 4th

reel, if a Win symbol hits, the value of all money 3 symbols in view and the bag of coins symbol is awarded. If any jackpot symbols are in view, they are 3 collected on their respective jackpot meter. Collect enough jackpot symbols, and the prize is awarded. The four jackpots are the 3 Mini, Minor, Major, and Grand, which are worth 12.5x, 50x, 250x, or 2,500x the total bet.

The other symbol that may 3 land on the 4th reel is the Boost

symbol. When this one hits, the values of any money symbols in 3 view are added to the bag of coins symbol. This value remains in place until the end of the round.

Buy

3 Bonus

Players who would like to skip the base game and go straight to respins can do so by buying the 3 feature. The cost is 100x the total bet for 4 or 5 bonus symbols to trigger it.

Big Juan: Slot Verdict

It 3 didn't take long for Big Juan's initial explosion

of sights and sounds to wear off and reveal an average game 3 lurking beneath. To be fair, even the sights weren't up to much from the get-go. Wild Streak has a tendency 3 to create old looking games; whether this is on purpose or not isn't clear. Whatever the case, Big Juan has 3 an instantly dated appearance. What saves Big Juan, for a while at least, is the relentless Mariachi Band, singing away 3 and letting rip with other entertaining miscellaneous sound effects. To be fair, one of the reasons studios possibly pick this 3 theme is that a party atmosphere comes built-in, so half the job's done.

Too bad Wild Streak couldn't capitalise on the 3 party aspect, though and after a while, even the positivity induced by the music evaporated as tedium set in. The 3 Wild Switch feature isn't bad, a similar thing having been used before in Temujin Treasures. It occasionally triggered to build 3 a decent win. In fact, the Wild Streak feature often tended to outdo the Respins Feature when it came to 3 payout levels.

Wild Streak Gaming

is certainly a strong proponent of respin features, starring in a big number of their games. 3 If you're into these sorts of things and crave something a bit new, Big Juan might warrant a look. Its 3 alternative set of rules means it performs differently than respin games usually do. Coin wins keep the bonus going while 3 collecting tokens to trigger one a jackpot provides a mission. The jackpots aren't huge, but winning the grand might evoke 3 the desire to fire off a pop gun or two. At full stretch, winning potential in Big Juan is limited 3 to 2,600x the bet, possibly reflecting the high max bet.

In the end, once our foot stopped tapping to the beat, 3 the game turned out to be more Big Yawn than Big Juan. The unusual respin bonus might tempt fans of 3 the format who have seen it all. Other than that, there are more accomplished slots to get a Mariachi fix.
