you do not have interest in cbet river makeup, but occasionally feel that you may need this. Experiment with a tanning gel. I don't really consider the gels for being tanned or anything like that - Makeup requires careful selection of color and brushes with some aptitude for application; Gel tanning nothing needs this is the fastest possible way for anyone of the gender to bring a sun-kissed glow to the skin without a shiny interior or a tan line! The gel can be applied with fingers like a face cream (even if you prefer to buff it in with a tanning brush, fofos felpudo seja meu convidado) and adds immediately a warm golden-brown tone. It's almost clear that it won't wash off or be ashy; at the end of the day it washes off - so there's no compromise from the auto tan guys love this!
