CASE 1:

Introduction:

Edson is a 35-year-old engineer who has always been passionate about sports, particularly soccer. He's been following the Brazilian championship and never misses a game of his favorite team, Flamengo. One day, while scrolling through his social media feed, he saw an ad for a sports betting website called Esportiva Bet. Out of curiosity, he decided to check it out and see what it was all about.

Background:

Edson had never tried online betting before, but he had heard of people making good money from it. He wanted to give it a shot, but he didn't know where to start. He searched for more information on the topic and found out that Esportiva Bet was a well-known and reliable platform. He decided to create an account and see what it had to offer.

Specific Case:

Edson signed up for Esportiva Bet and was immediately drawn in by the variety of options available. He could bet on soccer, football, tennis, and even e-sports. He decided to start with a small bet of R\$100 on a Flamengo game, just to see how it worked. To his surprise, he won R\$250! Encouraged by this outcome, he continued to bet on more games, gradually increasing the amount he bet.

Edson's Experience:

As Edson continued betting on Esportiva Bet, he started to notice a few things that made the platform stand out. The odds were consistently better than those offered by other sites he had tried before. The user interface was user-friendly and easy to navigate, which made placing bets a breeze. He also liked the variety of payment methods that were available, such as Pix, bank transfers, and even cryptocurrency. Another nice touch was the minimum deposit and withdrawal limits, which were very accessible.

Edson' position at the 10th level provided Edson with a variety of options. Edson changed his methods after trying out a number of other platforms. The main benefit was the extra security and benefits that accompanied each level. The site offered a referral plan in addition to a subscription incentive for devoted members. Edson became a subscriber after discovering that the website would pay up to 50% of the winnings of whoever he suggested. Because of this, his focus has shifted to Esportiva Bet. Plus, earning money from referrals was comparable to hitting the jackpot. It was the best bit he'd seen. Since no one enjoyed Edson bet more than him, it seemed only reasonable that he would spread the word. Overall, Esportiva Bet provided Edson with a dependable, trustworthy platform for his sports betting needs

#### Implementation Steps:

1. Edson registered and created an account on the website.
2. He deposited money into his account and put a small bet on a Flamengo game.
3. After winning the game, he increased the amount he bet and started exploring other options.
4. Edson reached the 10th level from consistently playing on the website and had access to new benefits and extra security.
5. He began to join an affiliate program and refer friends, which allowed him to earn money from each referral.

#### Wins and Results:

1. A R R\$ 250 score from a R R\$ 100 stake.
2. Gained trust in the site and started investing more money.
3. A 10th-level certified member increased benefits and security.
4. Money was made from recommendation earnings. 5

Gained self-confidence and became passionate about sports and soccer.

**Insight Results:** It's essential to frequently assess internet platforms, payment options, and security before committing to any plan. Evaluation of wants, finances, and amount risk helps avoid financial issues. A review and research must accompany marketing techniques for these sites. Learn how sites like Esportiva Bet create strategies to ensure gaming loyalty. Sites may provide perks and incentives, but we must exercise caution to avoid developing gambling-related issues. Edson is enthusiastic about Esportiva Bet and trusts it because many betting platforms were investigated. It is a sure way of keeping gaming issues under control without becoming addicted. Fun should always be a factor in gaming because that is its sole objective.

**Conclusion:** Esportiva Bet created a sporting culture, and its great popularity, excellent outcomes, perfect for Brazil's youthful and vibrant populace, may revitalize sports followers. Younger demographics were drawn to sports once more thanks to soccer players. Modern-day gamblers may now identify gambling platform concerns and have a broader variety after utilizing technology to choose better when deciding. Sports betting could occasionally aid in reducing vices by providing multiple methods for people to wager.

Edson used Esportiva Bet with fairness, a clear vision of rewards, and relying on his findings instead of being fooled into investing more money blindly. By making technology useful and incorporating safety in online sports betting, social risks in society will not be worth worrying about. Edson joined a group. Edson signed up on ESportal. Edson would constantly make R\$ 35 profit from sports betting, or slightly more. As long as we remember someone who wins and someone who loses, Edson was being sincere. Still, when it is being used online, he accepts some of his bets. R\$ 35 can only be acceptable if Edson follows one of those policies; you must set weekly restrictions using logic to remain accurate in researching sports-related information and using other more technologies that are more human, safe to avoid becoming addicted to betting. Betting limits are set to help sports betting keep its pleasurable character and safety goals.

**Psychological Insight:** Most platforms give you the option of limiting your deposits. Online gambling has grown significantly despite having harmful gambling-related traits comparable to true addiction, according to research. The number one hazard and impulsivity increase with its escalation.

Insight did the Sports Bet part Edson.

It is essential to examine numerous variables when applying real-time gambling addiction that is

prevalent today. New characteristics and quicker profits have significantly altered digital usage. Negative affect is one prominent feature that entails a rise in stress levels. Self-assurance, naive confidence bias, and grandiosity are some associated risky scores.

One important thing that should constantly be on people's minds is whether this new digital pattern helps prevent dependency and problems. Through this tactic, mental addiction may be brought about by the digital medium via online sports gambling, online sports, stock trading, shopping, pornography, myriad interpersonal webs, and SNS surfing, as well as offline addiction elements. People may cope with it by maintaining discipline by preventing the urge for money, acting or speaking impulsively, acting compulsively to satisfy desires, or fantasizing up a different persona in the virtual world by imagining them being the champ. Since these criteria are not being satisfied, the vicious cycle is prolonged, raising anxiety. As a result of not getting better and using self-medication, a fresh start, new ventures and problems, challenges, etc., are continuously placed on relapse procedures since cessation has the propensity to end cycles rapidly. Better cognition also contributes to faster and better recovery. Online sportsbooks have few, if any, withdrawal signs from brains that develop an addiction to them. People need insight; if they get hooked on it, the wagering conditions for reward accessibility have been filled in a process where bookmakers always have an advantage. As long as responsibility and privacy regulations are maintained, preventability indicators rise through policy-economic control, advertising exposure restrictions, financial restrictions, gambling limits, individual sanctions, help, cessation resources, etc. But now it is easier to gamble on a smartphone than in a location away from betting shops and casinos to regulate problematic behaviors. Banning internet advertising and taking steps to educate gambling issues as being different from digital app purchasing. Freud identified some addiction when people wager. For his psychological thinking, which explains a high propensity to be hazardous. However, since gaming may begin recreationally it continues to recruit to advance and startles those with greater hazards with low risks, anxiety, and terrible past experiences. For psychology, more adverse symptomatic characteristics include having poor health, more anxiety-inducing circumstances, or being emotionally imbalanced and feeling life imbalances can become more robust psycho-socially and worsen problems, such as drug addiction. Finding the ideas can aid ward off negative ideas generated during critical phases.
