Information about our online casino reviews

When you read our

online casino reviews, you are reading the views and opinions of independent experts.

We are genuine slot machine fanatics, and we allow our reviewers total freedom to write their honest opinions. You will notice that they are brutally honest in their views, and this is exactly what we are looking for.

We often have two or three experts

play and assess the casinos, to test the games and customer support to the max, and get a balanced view.

Affiliate commissions

It is important to be clear about how we

generate the money required to pay for running the site, and to pay salaries. Running costs include hosting fees, security, reviewers and writers fees, and to pay the people that we hire to test the site. Amongst many many other things.

We generate income

through affiliate commissions. So, if a casino we love, and recommend offers affiliate commissions, we do accept them.

However, unlike other casino sites, we still list casinos we like, even if they don't offer commissions.

An example of this, is Betway

Casino in the UK - we have listed this casino for over 10 years, because it is a really good place to play. We recommend them even though they do not offer us any commission.

Other casinos we love, like Jackpot City, do pay affiliate commissions, and

we are happy to accept those payments. In most cases the fees do not influence where they appear in the listing. But if two casinos are of equal quality, we list the casino that pays commissions above the other one.

It is important to note that the payment of

fees does not affect the play or bonus offers at the casino.

If you object to affiliate

commissions, then simply clear the cache in your browser, then visit the casino directly, so the casino doesn't have an affiliate link to work on.

Playing Safely

How

to play safely, and enjoy casino

Playing any casino game should always be an

entertainment and nothing more than that. The odds of winning are always stacked in the favour of the casino, and over the long-term, the player always loses.

This is why here

at penny-slot-machines, we prefer free play and social casinos, over real money casinos

But if you do prefer to play for real money, then you need two things:

1) to

arm yourself with all the best information about how to play safely. For example:

- Set

a money limit in advance, and stick to it.

- Walk away from your losses, and never chase them.

- Treat gambling as an entertainment, that costs money and stick to your budget.

- Set a time limit prior to playing.

- Notice how you are feeling. Never play when you are sad, depressed, angry etc.

- Enjoy other activities, like chatting to, or mixing with friends.

- Take lots of breaks, ideally out of the house.

- Be careful to

not play when you are drinking or doing drugs.

2) to find an online casino that you can

trust, and that is Government regulated, with the following features:

- Reality Check –

triggers a pop up, reminding you to take a break.

- Time Limits – allows you to set rigid limits on your playing time.

- Time Out – allowing you to put your account on temporary hold.

- Deposit Limits – enforcing a strict limit on your deposits.

- Credit Card

Restrictions - the operator can help you tell bank to block your internet transactions.

- Permanent Account Closure / Self Exclusion – you can close your account and all contact with the operator ends.

Once again - always try to enjoy free slots or social casinos, over real money, if you can.

Casino games should be fun. When the fun stops - Stop.
