Asbestos guide Gwynedd Council has 3

Recycling Centres that will accept Cement Bonded Asbestos - Caernarfon, Dolgellau and

Garndolbenmaen Members of the public are encouraged to contact Galw Gwynedd on 01766

771000 to make prior arrangements before arriving on site with cement bonded asbestos.

Only Cement Bonded Asbestos will be accepted at these Recycling Centres, of which, should be of reasonable quantity to that which may be found in domestic circumstances

or very light DIY work. Cement Bonded Asbestos is not accepted at the Recycling Centres

where the asbestos is produced by a contractor who is engaged by the householder to undertake any construction, modification, repair and maintenance or demolition of his

/her premises. Examples such as entire garage or garden shed roofs would not be seen as

reasonable and due to the inherent risks of asbestos the work should be undertaken and disposed of by a competent contractor. Any enquiries suggesting that such quantities

are present should be directed to Natural Resources Wales website or helpline at 0300

065 3000. Examples of Cement Bonded Asbestos products are gutters, flue pipes, rain

water pipes, soil pipes, roofing sheets, walling sheets etc. Cement bonded asbestos

materials should not be cut. It is advised that the house holder dampen the sheeting

with water prior to wrapping in order to minimise any fibre release. Cement bonded

asbestos accepted at the Recycling Centres must be double wrapped in plastic, the

plastic sealed by means of suitable tape. Upon arrival at the Recycling Centres the

house holder or any other person acting on their behalf must notify the site staff that

they have cement bonded asbestos to dispose. Site staff will then check that the cement bonded asbestos is suitably packaged (double wrapped, sealed and in clean condition).

If the site staff are happy with packaging and condition they will then provide

detailed instructions for site disposal. If the site staff are not happy with the

condition of the packaging it will not be permitted onto site. If this should occur,

it will not be permitted onto site. members of the public will be advised to package the

waste correctly before returning to the site. Site staff will not handle or assist with

the loading or unloading of the ACM, this will be the duty of the person bringing it

onto site.

### **Legisladores tailandeses aprobaron proyecto de ley de matrimonio igualitario**

Lawmakers in Thailand voted on Tuesday to approve a marriage equality bill, a move that puts the country on a clear path to becoming the first in Southeast Asia to legalize same-sex marriage. Thailand's Senate passed the bill on Tuesday afternoon, nearly three months after it was approved by the House of Representatives. The legislation would go into effect after it is reviewed by a Senate committee and the Constitutional Court and receives royal assent from the king, a formality that is widely expected to be granted.

#### **Thailand's status as a relative haven for gay couples in Asia**

The bill's passage underscores Thailand's status as a relative haven for gay couples in Asia. Only Taiwan and Nepal have legalized same-sex marriage. While India came close last year, the Supreme Court deferred the decision to Parliament.

In some Asian countries, gay sex is a criminal offense. Indonesia, where gay marriage is illegal, made extramarital sex illegal in 2024. In 2024, Brunei made gay sex punishable with death by stoning. It later said it would not carry out executions after widespread international protest.

Thailand's bill calls marriage a partnership between two people age 18 and above, without specifying their gender. It also gives L.G.B.T.Q. couples equal rights to adopt children, claim tax allowances, inherit property and give consent for medical treatment when their partners are incapacitated.

The bill has been contentious since its first version was introduced over 20 years ago. While Thailand is one of the most open places in the world for L.G.B.T.Q. people, it is socially conservative in other ways.
