From then on, players have to simply 2 sit back, relax and enjoy their gameplay or betting sessions in the casino or mobile sportsbook.

Notable Mobile Features

Going deeper into 2 the review, we're going to talk about some of the cool mobile features that the mobile platform has. The features 2 that we're going to look out for include the in-play section, live stream and cash out.

These three features are features 2 that most punters look for when they go to a mobile platform.

You can say that these are the "three 2 essentials" of a mobile sports betting platform. We will see if Bwin has all of them.

In-Play The in-play section of 2 Bwin is a great and exciting section that allows you to place bets while they are happening. Unlike the regular 2 sports section, you don't need to place a pre-match bet. In Bwin, in-play betting or live betting is available. Here, 2 you can place a bet when the event is happening real-time. You'll be able to see the odds changing as 2 the game changes, and you'll also see the scores going up as the event progresses. **Cash Out** Cash-out features are 2 essential to in-play markets simply because they allow you to take your profits out if you think that the match 2 isn't likely to go your way. Having a cash-out option is a proper risk management function. Bwin app offers this 2 kind of feature to its players so that the players don't have to keep their profits locked in the bet 2 until the event is done. However, the cash-out feature is only offered when the game has already progressed significantly. This 2 means that not all betting events may have this option. **Bwin Live Streaming** Lastly, we will check if Bwin sports 2 app offers a live streaming option that will allow you to watch games while you bet live. Fortunately, Bwin provides 2 a live streaming feature on both its desktop and mobile versions. With this feature, hardcore sports fans can enjoy watching 2 live games while checking up on their bets at the same time. Do take note that not all events can 2 be live-streamed. You can go to the Live Betting page and see which matches can be streamed.

Mobile Options

The next things that we're going to take a look at are the betting options. We have already established that there is a good in-play or live betting section offered to punters.

Now, we will look at the other options for gaming that you have and talk about them in detail.

There is the sports betting section, virtual sports section, and horse racing. For sections outside of sports betting, there are the Bwin casino and the Bwin poker sections.

Bwin Mobile Sports Betting
In this section, you have the chance to access about a thousand events in a day from various betting markets such as Football, Tennis, Cricket, Basketball, Badminton, MMA, boxing, and many more. There are also rather unorthodox betting sections like Politics and Current Events. Another thing that you'll love about the Bwin app sports section are the odds. As compared to the market standard, Bwin is known to have pretty high odds.

Mobile Betting on Virtual Sports
Another sports section that you can run over to when you're done with the sports betting section is the virtual sports section. Bwin's Virtuals section is like the sports betting section but does not feature real events. Instead, these events are simulated only. Some of the betting markets offered in the Virtuals section include Horse Racing, Greyhound Racing, Football, Tennis, and a few more. It's a refreshing alternative to the usual sports betting.

Bwin Betting on Horse Racing
Horse racing is one of the most popular sports markets in the UK and many other European countries. That is why Bwin has one of the most prominent horse racing sections in the industry. There are so many horse racing events offered to punters via the horse racing sports market. The odds in the horse racing market are also really attractive because they're rather high compared to the market standard.

Bwin Mobile Casino App
Let's scoot over to the casino section of Bwin. There are two casino sections here, namely the regular casino and the live casino. The regular casino sports hundreds of games that you can play, including the favourites like Monopoly, Age of the Gods Roulette, Perfect Blackjack Pro, Tip Top Totems, and Royal Seven XXL. Surely, you won't be bored with the Bwin mobile casino. On another note, we have the live casino section which allows you to play live with dealers from different parts of the world. As compared to other platforms, the Bwin live casino section has so many more games that can be played, which is great for hardcore casino players. Some of the favourites are Bwin Roulette, Lightning Roulette, and Live Monopoly from Evolution Gaming as well as Spin a Win, Blackjack VIP Lounge 1, and Grand Baccarat from Playtech.

Bwin Poker app
For the hardcore poker players out there, Bwin offers a Bwin Android poker app and a Bwin poker iOS app that are ready for download. The poker platform is exceptionally smooth, allowing you to enjoy a full and interactive experience. The Android app can be downloaded as an .apk via the website's Download page while the iOS app can be downloaded via the Apple App Store.
