contente:

The double is a bet where two selections are made, and if the first wins, everything that would have been returned is then used as a stake for a second.

[sportsbet copa do mundo](#)

In sports betting, a double result bet is offered on the score of a game at both halftime and at the end of the game. This has become an increasingly popular betting option as opposed to simply betting on a team to win outright, which is a bet that can often have short odds.
