Goal Line Betting - Definition and Strategies

Goal line betting or over/under betting is a simple type of betting where the wager is placed on the total amount of goals scored without having to decide which team wins or loses. Goal line betting, although commonly used in football, can be applied to a lot of sports such as basketball, hockey, rugby and cricket.

How does goal line betting work?

Goal line betting works by taking the amount of goals expected in the match (which is usually 2.5) and allowing you to wager on whether the games total score will be above or below said amount. There are however a variety of options such as 0.5 which would be betting on either team not scoring at all or 1.5, or 3.5 or even higher, there is no reason for a maximum but in practice bookmakers wont go above 8.5. The odds will depend on the teams playing and how likely it is perceived that there will be goals. For example the bet below shows a variety of different options from 0.5 goals to 8.5 goals with all of the different odds. Note it is seen as so likely that Under 6.5 goals will be scored, the bookmaker will not accept bets on these outcomes.

Types of bets:

Full Goals

A full goal bet refers to bets where the goal line is a full number such as over or under exactly 2 goals. The basic principle is exactly the same with you being required to decide whether there will be more or less goals than the predicted amount. The big difference here is the ability to have the same amount of goals scored as you bet on. When this happens your bet is returned and you neither win nor lose.

Half Goals

Half goals are the most common method of goal line betting. Without the ability to draw only two outcomes are available either a win or a loss. Should you wager on there being more than 1.5 goals and the end results of the match is 1-1 that would be a winner as there is a total of 2 goals, which is more than 1.5 goals scored. Even own goals are counted towards this score as it is still a form of a goal, but it is always the total scored in regular time, Extra time and Penalties, if they happen, do not count.

Quarter Goals

Quarter goals assist in dividing the market even further and are the midway point between half and full goals. If you decide to bet on a quarter goal your stake is split evenly between a half goal

and full goal. For example should you place £20 on over 2.25 goals £10 will go towards there being 2 or more goals and £10 will go towards there being more than 2.25 goals (effectively 3) In this scenario should 2 goals be scored in the match then the rules of a full goal are applied and the £10 is refunded but the 2.25 bet is a loss meaning you only lose half of your wager. Should 3 goals be scored then both bets will be winners!

How to place a goal line bet: Examples

To place a goal line bet all you need to do is find the event you would like to bet on (Goal line bets most typically appear on football matches but can be found occasionally on other events) and scroll down the list of available bets until you find either Goal line or Over / Under. In the below example which was taken from Paddy Power it is referred to as Over/Under Goals Market however this will vary from site to site so keep your eyes peeled for variations of that name.

Frequently Asked Questions

What is a goal line in football betting? For example a goal line of over 0.5 would mean that for you to win there needs to be 1 or more goal scored in the event. Effectively a goal line is the margin set by the bookmaker where you bet under or over for the amount of goals scored in the event.

The goal line is typically 0.5 however can vary majorly depending on the teams playing which team is at home etc. Is there a push in goal line betting? Pushes exist when it comes to full goal betting. This can happen when you bet on Full Goal markets. For example should you place a bet on over 1 goal and only 1 goal is scored a push will occur and you will have your bet refunded.

What happens if you bet on the goal line? If you bet on the goal line (this is only applicable for full goals) this will cause a "push" to occur. Essentially the bookmaker and the better draw and your wager will be returned to you.

Shohei Ohtani Impresiona con los Dodgers y Establece Récords

Shohei Ohtani ha encajado perfectamente en su nuevo rol como jugador de 2 los Dodgers de Los Ángeles, ayudando al equipo a liderar la división Oeste de la Liga Nacional (NL) - y 2 alcanzando nuevas marcas en el camino.

El martes, el jardinero japonés de 29 años conectó un jonrón en la primera entrada 2 en la victoria de los Dodgers 4-3 sobre los Medias Blancas de Chicago, convirtiéndose en el primer jugador de los 2 Dodgers desde Roy Campanella en 1955 en tener nueve juegos consecutivos con una carrera impulsada (RBI).

Sin embargo, su recorrido por 2 las bases no fue el más suave de su carrera. Cuando Ohtani se encontraba a medio camino entre la primera 2 y la segunda base, el jardinero japonés regresó a la primera base para tocarla nuevamente, ya que no estaba seguro 2 de si lo había hecho durante su primer paso alrededor. Dijo más tarde que fue "por precaución".

También llevó su bate 2 mucho más allá de la primera base - algo inusual en el béisbol. "Solo estaba mirando la pelota, esperando que 2 saliera", dijo Ohtani a través del intérprete Will Ireton, según la MLB.

"No me di cuenta de que todavía tenía el 2 bate, así que lo solté. Eso es cuando intervino (el entrenador de primera base) Clayton (McCullough). Y es por eso 2 que solté el bate y simplemente no estaba seguro si había pisado la almohadilla".

Sus nueve juegos consecutivos con una carrera 2 impulsada empatan el récord de los Dodgers con Campanella, Augie Galan y Eddie Brown, quienes también alcanzaron la marca en 2 1944 y 1924, respectivamente.

Ohtani agregó un sencillo remolcador en la cuarta entrada, terminando el juego con un promedio de bateo 2 de .306, dos carreras impulsadas y dos carreras anotadas en cuatro turnos al bate, ya que los Dodgers ganaron su 2 partido número 50 de la temporada.

"No sé qué más podemos decir al respecto", dijo el primera base de los Dodgers, 2 Freddie Freeman, sobre Ohtani, según la MLB. "Creo que ya hemos dicho todo lo que podemos sobre lo increíble que 2 es este jugador.

A veces, solo tienes que dar un paso atrás y simplemente apreciar a un jugador como este".

El exitoso 2 debut de Ohtani con los Dodgers realmente despegó en junio, ya que ha promediado .306 con 10 jonrones, 22 carreras 2 impulsadas y 15 bases por bolas en comparación con 20 ponches en 22 juegos.

Como resultado, ya es el favorito para 2 ganar el premio al Jugador Más Valioso de la Liga Nacional (NL MVP) a mediados de su primera temporada con 2 el equipo.

La producción de Ohtani como bateador ha mejorado en ausencia de tener que mostrar sus habilidades de dos vías. 2 Actualmente se desempeña como bateador designado en 2024 después de someterse a una cirugía de codo y no lanzará hasta 2 2025.
